

CALLING ALL VETERAN FAMILIES

Make Sure Your Voice is Heard!

Millions of Veterans who served in Iraq & Afghanistan, their spouses, children, parents, and other loved ones, need help!

Family Of a Vet, an online resource of information for Veteran families, is conducting a survey. The answers from this survey will be used to tell Congress what our returning heroes and their families need to survive and thrive after combat.

If you're an Operation Iraqi Freedom or Operation Enduring Freedom Veteran or loved one, please visit **Family Of a Vet** to complete this survey.

This project was started by a group of OIF Vet Wives & will only be a success with your help!!

Help Us Help You!

Log on today & take the survey!
